Dear Dr. Monok:

Re: SciFinder® and MethodsNow™ Letter of Exclusivity

Dear Dr. Monok:

This letter shall serve as written confirmation that American Chemical Society (ACS), operating through its CAS, located in Columbus, Ohio ([www.cas.org](http://www.cas.org)), is currently the only organization in the world able to produce and offer the products known as SciFinder® and MethodsNow™. ACS owns and controls all of the proprietary rights in these products. This statement is valid until 31st December 2018.

Thank you for your interest in CAS and SciFinder. Please contact me at +1-614-447-3831 or via e-mail at [cstephens@cas.org](mailto:cstephens@cas.org) if you desire any additional information.

Sincerely,
