The Order, any product/service specific terms and conditions and other applicable documents referenced in the Order or these Terms, as updated by Clarivate from time to time, constitute the complete agreement between us ("**Agreement**"), and supersede any prior discussions or representations regarding your Order, unless fraudulent. Other terms and conditions you seek to incorporate in any purchase order or otherwise, even where such document is signed by Clarivate as a courtesy, are excluded, and your use of the Products confirms your acceptance of these Terms. Your continued access, renewal, payment and/or use of the Products constitute your acknowledgment and acceptance of the latest version of these Terms.

1. Our Products and Services

- (a) **Orders.** Your Order identifies the Products, quantities, relevant license and restrictions, fees and charges, permitted users ("**Authorized Users**") and other relevant details of your Order.
- (b) **Intellectual Property.** Together with our licensors, we retain all ownership of and all rights in the Products (including any underlying software, data models, databases or data sets), any pre-existing codes, content, methodologies, templates, tools or other materials used in performing services, and any configurations, modifications or derivatives thereto (collectively "**Clarivate IP**"). Clarivate IP constitutes our valuable intellectual property, confidential information and trade secrets, and you may only use it as expressly permitted in the Agreement. You must promptly notify Clarivate if you become aware of any unauthorized use of Clarivate IP.
- (c) **Compliance.** Clarivate and you shall act at all times in accordance with the laws, rules, regulations, export controls and economic sanctions as they apply to such party in connection with its obligations under the Agreement ("**Applicable Laws**").
- (d) **Updates.** The Products change from time to time. If we fundamentally change the Products in a way which materially impairs your usage of the Products, you may terminate the affected Products on written notice no later than 30 days after the change.
- (e) **Passwords.** Your access to certain Products may require authentication (e.g. a password). Sharing passwords or facilitating access to unauthorized users is strictly prohibited. Each of us shall maintain industry standard computing environments to ensure that Clarivate IP is secure and inaccessible to unauthorized persons.
- (f) **Usage information.** We may collect information related to your use of our Products. We may use this information for legitimate business reasons including without limitation to recommend products, services or functionality that may interest users, to test and improve our Products and to protect and enforce our rights under the Agreement, and may pass this information to our third party providers for the same purposes.
- (g) **Feedback and knowledge.** Where you provide any comments, recommendation, suggestion or ideas, or any other feedback related to Clarivate IP ("**Feedback**") we may use and exploit such Feedback without restriction or obligation to you and you will not obtain any rights in Clarivate IP. - (h) **Documentation.** You may print or download PDF copies of user guides, online help, release notes, training materials and other documentation provided or made available within the Products or published online, as updated from time to time ("**Documentation**") for your internal use with the Products, provided all copyright or proprietary rights notices are retained.

(i) **Third party providers.** The Products may include data, software and services from third parties. Some third party providers require Clarivate to pass additional terms through to you, and you must comply with these additional terms as applicable. The third party providers change their terms occasionally and new third party providers are added from time to time. 3. Information Services

(a) Definition. “Information Services” means a product providing data, metadata, metrics, charts, graphs, literature or other information in any form (collectively “Licensed Information”), including via a Clarivate-provided tool, algorithm, process, web platform, an API, a datafeed, custom dataset or syndicated report.

(b) License. Your Authorized Users may use the Information Service solely for internal analysis and research purposes. Where an Information Service is available via a Clarivate-provided web platform, subject to the Product functionality, Authorized Users may view, download and print reasonable amounts of the Licensed Information for their own individual use. We determine a “reasonable amount” of Licensed Information by comparing user activity against the average activity rates for all other users of the same product.

(c) Distribution. Authorized Users may on an infrequent, irregular and ad hoc basis, distribute limited extracts of the Licensed Information internally to non-authorized users as incidental samples or for illustrative or demonstration purposes in reports or other documentation created in the ordinary course of their role. We determine a ‘limited extract’ as an amount of Licensed Information that has no independent commercial value and could not be used as a substitute for any service or product (or a substantial part of it) provided by us, our affiliates or third party providers. Licensed Information may also be distributed: (i) amongst Authorized Users; (ii) to government and regulatory authorities investigating you, if specifically requested; (iii) to persons acting on your behalf, to the extent required to provide legal or financial advice to you, and (iv) to third parties upon execution of a written agreement between Clarivate and the third party. You are responsible for ensuring use by such persons complies with the terms of this Agreement. For clarity, consent is not required for hosting services which host our Licensed Information solely on your behalf; provided, however that such third party shall in no way access or use the data for any purpose.

(d) Attribution and representation. Where users quote and excerpt Licensed Information in their work as permitted by the Agreement, they must appropriately cite and credit Clarivate as the source. Attribution to Clarivate and use of the Licensed Information must not categorize or identify Clarivate as an ‘expert’ in any context and to ensure Licensed Information is not misrepresented or taken out of context. Without our prior written consent, the Licensed Information shall not be filed with any securities authorities.

4. Installed Software

(a) Definition. “Installed Software” means software which is downloaded to or implemented on your servers.

(b) License. You may install Installed Software only for your internal user. Software licenses do not include updates (bug fixes, patches, maintenance releases), upgrades (releases or versions that include new features or additional functionality), APIs or Professional Services unless expressly stated in the Order. Your Order details your permitted installations, users, locations, the specified operating environment and other permissions and restrictions. You may use Installed Software in object code only. You are responsible for backups and may only make necessary copies of the Installed Software for such purposes.

(c) Delivery. Unless stated otherwise in your Order, we deliver Installed Software by making it available for download. You may first need to provide Clarivate with certain identifying information about your system administrator and you may be required to confirm availability or installation of our software.

(d) Acceptance. Unless set forth otherwise in an Order, when you download Installed Software and Documentation, you are accepting it for use in accordance with the Agreement.

5. Hosted Software

(a) Definition. “Hosted Software” means our software applications made available to you via the internet.

(b) License. You may use our Hosted Software only for your internal use. Your Order details your Authorized Users, locations and other permissions and restrictions. Software licenses do not include updates (bug fixes, patches, maintenance releases) or upgrades (releases or versions that include new features or additional functionality), unless you are on a multi-tenant solution or where you have purchased maintenance including such services.

(c) Delivery. We deliver our Hosted Software by providing you with online access to it. Unless set forth otherwise in an Order, when you access our Hosted Software, you are accepting it for use in accordance with the Agreement.

(d) Content. You grant Clarivate permission to use, store and process your Content. Access and use of your Content by us, our employees and contractors to the extent necessary to deliver the Hosted Software, including training, research assistance, technical support and other services. We will not disclose your Content except to support the Hosted Software, unless required by Applicable Laws (when we will use our reasonable efforts to provide notice to you). We may delete or disable your Content if required under Applicable Laws or where such Content violates the Agreement (and we will use our reasonable efforts to provide notice to you of such action). You may export your Content prior to termination or, where Content cannot be exported and is accessible by us, we may, at your cost and upon execution of an Order for such services, provide you with a copy of such Content.

(e) Security. We will inform you in accordance with Applicable Laws if we become aware of any unauthorized third party access to your Content and will use reasonable efforts to remedy identified security vulnerabilities. Our Hosted Software is designed to protect your Content, however, unless set forth otherwise in your Order, you are responsible for maintaining backups of your Content. If your Content is lost or damaged due to our breach, we will assist you in restoring your Content to the Hosted Software from your last available back up copy.

6. Professional Services

(a) Definition. “Professional Services” means any professional services, including but not limited to implementation, customization, configuration, transition services, administrative services, consulting services, screening, search and analytics services, and watch services to be provided by Clarivate.

(b) License. Unless otherwise set out in the Order, you will own the deliverables set out in the Order, provided that (i) we retain all intellectual property rights in and to the Clarivate IP and you receive a license to use the Clarivate IP solely to the extent necessary to utilize the deliverables for your internal use; and (ii) if the deliverables include any configurations or modifications to our pre-existing products (including but not limited to implementation services and custom datasets) we retain all intellectual property rights in and to such deliverables, and you receive a license to use them in the same way as you are licensed to use the relevant Product. You agree deliverables are deemed accepted upon delivery unless agreed otherwise in an Order.

(c) Changes. Either of us may make written (including email) requests to change any aspect of the Professional Services, provided that no change will take effect unless and until we have each signed a formal change order setting out the impact of the change and any consequential changes required to the Agreement. Neither of us will unreasonably withhold our agreement to a change.

(d) Access. As required for Clarivate to perform the relevant Professional Services, you must provide reasonable access to your sites, equipment and systems and ensure the health and safety of our personnel on your premises and full cooperation from your qualified and experienced personnel as reasonably required. We will take reasonable steps to ensure that while on your site our personnel comply with reasonable security, health and safety and confidentiality requirements that are notified to Clarivate in advance.

7. APIs and Data Feeds

(a) Information Services. Where we make Licensed Information available to you via API or a data feed, the Information Service terms (Section 3 above) apply to the data you receive. You must ensure that the Licensed Information remains behind your firewall and is only accessible to your Authorized Users. If we deliver Licensed Information via a data feed, you are responsible for loading and maintaining Licensed Information in a timely manner into your data stores. If we make an API available to you, you may use our APIs to query the applicable Information Service and display Licensed Information to Authorized Users within your own technology systems. Clarivate approved accreditations must remain visible at all times.

(b) **Software.** Clarivate may make APIs available to you to configure our Hosted Software and Installed Software (collectively “**Software**”) or otherwise allow our Software to interoperate with third-party programs or services (“**Client Configurations**”). Such APIs may only be used with the associated Software and in accordance with the applicable Documentation and/or terms of use. We disclaim all liability for Client Configurations.

(c) **Keys.** Our API and data feed keys must not be: (i) shared in any way; (ii) used for multiple interfaces; or (iii) used in any way that mimics any material functionality of any Products developed or marketed by Clarivate, or would reasonably be deemed competitive to any Products offered by Clarivate, our affiliates or third party providers. You must demonstrate interfaced systems if reasonably requested by us.

8. Charges

(a) **Payment and taxes.** You must pay our charges and reasonable expenses, together with any applicable taxes, without deduction within 30 days of the date of invoice, unless otherwise provided on your Order. Payment must be in the currency stated on your Order. We may levy a service charge of 1% per month or the highest lawful interest rate (whichever is lower) for late payment plus our reasonable collection costs, including attorneys’ fees. Our fees are exclusive of tax, and shall be paid by you free and clear of all deductions or withholdings provided, if you are required by law to deduct or withhold you will be responsible for paying to Clarivate such additional amount as will, after such deduction or withholding has been made, leave Clarivate with the same amount as we would have been entitled to receive in the absence of any such requirement to make a deduction or withholding. Invoice disputes must be notified in writing to Clarivate within 15 days. Once resolved, payment of disputed invoices will be due immediately.

(b) **Changes.** We may change the charges for the Products with effect from the start of each renewal term by giving you at least 60 days’ written notice. If we believe your creditworthiness has deteriorated we may require full or partial payment before the continued performance of services. If you receive an electronic request to change our banking account number, you should contact our Treasury Department.

(c) **Increases in usage.** If your Order includes limits on usage, you must pay additional charges if you exceed those limits, based on the rates specified on the Order or our current standard pricing, whichever is greater. If you have enterprise wide or site wide access set out in your Order, our charges are established based on the size of your organization, anticipated number of users, site locations and population served as at the date of the Order, and if any one or a combination of these elements materially increases (e.g. if you acquire a new affiliate), we reserve the right to vary the charges.

9. Privacy

Each of us will at all times collect, disclose, store or otherwise process personal data in accordance with the EU General Data Protection Regulation (EU GDPR), UK General Data Protection Regulation (UK GDPR), UK Data Protection Act 2018, and other applicable laws relating to the use of personal data relating to individuals (“**Data Privacy Laws**”), including without limitation any laws relating to individual rights and cross-border transfers. At all times, we will treat personal data in accordance with our Privacy Notice, which is incorporated by reference into these Terms. Each of us will use reasonable efforts to assist one another in relation to the investigation and remedy of any investigation, claim, allegation, action, suit, proceeding or litigation with respect to an alleged breach of Data Privacy Laws in relation to activities under the Agreement. Each of us will maintain, and will require any third party data processors to maintain, appropriate physical, technical and organizational measures to protect the personal data. To the extent the sharing of personal data between us constitutes a cross-border data transfer as described in the applicable set of our cross-border data transfer clauses at <https://clarivate.com/terms-of-business> (in accordance with each party’s role under the Data Privacy Laws), each of us will comply with its obligations under the applicable set of clauses.

10. Confidentiality

Each of us will (i) use industry standard administrative, physical and technical safeguards to protect the other's confidential information; (ii) only use the confidential information of the other for purposes related to the performance of the Agreement (including our provision of the Products); and (iii) not disclose such confidential information to anyone else except to the extent required by Applicable Laws or as necessary to perform, manage or enforce the Agreement (including where we need to share it with our subcontractors). If either of us is required to disclose the confidential information of the other by statute or court order, that party shall notify the other so that an appropriate protective order or other remedy can be obtained, unless the court or government agency prohibits prior notification. Confidential information of each party includes any information marked as confidential, or which a reasonable person would consider as being confidential, including information relating to Clarivate IP (including how it is developed and any underlying models or databases) or pricing, but shall not include information that is or becomes public or known on a non-confidential basis other than through breach of any duty or obligation of confidentiality.

11. Audit

(a) **Audit right.** Without limiting Clarivate's right to electronically monitor usage of the Products, we or our professional representatives may audit your compliance with the Agreement, on at least 10 business days' notice and during normal business hours, provided that we will not audit more than once in 12 months, unless we reasonably believe you are in breach or we are required to by a third party provider.

(b) **Costs.** If an audit reveals that you have breached the Agreement, you will pay (i) any underpaid charges; and (ii) the reasonable costs and expenses of undertaking the audit if you have underpaid the charges by more than 5% or if those costs are imposed on Clarivate by a third party provider.

(c) **PROFESSIONAL SERVICES.** WE WILL RECTIFY PROFESSIONAL SERVICES IF YOU GIVE US WRITTEN NOTICE OF A VALID WARRANTY CLAIM WITHIN 30 DAYS OF DELIVERY. 13. Liability

(a) Unlimited liabilities. Neither of us excludes or limits liability for (i) fraud, (ii) death or personal injury caused by negligence, (iii) claims for payment or reimbursement or (iv) any other liability, including gross negligence, where not permitted to do so under Applicable Laws and nothing in the Agreement shall be interpreted to do so.

(b) Excluded losses. Neither of us will be liable for (i) lost profits, lost business, lost revenue, anticipated savings, lost data, or lost goodwill; or (ii) any special, incidental or exemplary damages, indirect or consequential losses, or anticipated savings.

(c) Limitation. The aggregate liability of each of us (and of any of Clarivate's third party providers) for all claims arising out of or in connection with the Agreement, including for breach of statutory duty, in tort or in negligence (collectively 'Claims'), will not exceed the amount of any actual direct damages up to the amounts payable in the 12 months prior to the first incident under which liability arose (or where the claim arose in the first 12 months of the Agreement, the amounts that would have been payable in the first 12 months) for the Product that is the subject of the claim.

(d) Claims. You may not assign or transfer Claims and you must bring Claims within 12 months of arising.

(e) No liability. We will not be responsible for failures, errors or delays that occur because of (i) your or a third party's technology or network; (ii) your actions or inaction (other than proper use of the Product), such as failing to follow the usage instructions or adhering to the minimum recommended technical requirements; (iii) changes you make to the Products; (iv) your failure to implement and maintain proper and adequate virus or malware protection and proper and adequate backup and recovery systems; (v) your failure to install updates we have provided to you; or (vi) other causes not attributable to us. If we learn that the Product failed because of one of these, we reserve the right to charge you for our work in investigating the failure at our then currently applicable rates. At your request we will assist you in resolving the failure at a fee to be agreed upon.

(f) Third party intellectual property. If a third party sues you claiming that a Product as provided by Clarivate infringes their intellectual property rights then, provided your use of such Product has been in accordance with the terms of the Agreement, we will defend you against the claim and pay damages that a court finally awards against you or that are included in a settlement approved by us, provided that you (i) promptly notify Clarivate in writing of the claim; (ii) supply information we reasonably request; and (iii) allow Clarivate to control the defense and settlement. We have no liability for Claims to the extent caused by items not provided by us. In relation to liability arising solely from one of our third party providers' data, software or other materials, our liability will be limited to the amount we recover from that third party supplier divided by the number of Claims by our customers, including you.

(g) Mitigation. Each of us shall take reasonable steps to limit and mitigate any losses, liability, Claims or other costs it may incur under the Agreement and which it may seek to recover from the other, including under any reimbursement or indemnity. Further, in the event a Product infringes or may infringe a third party's intellectual property rights we may, at our expense and option: (a) replace or modify the Product to make it non-infringing, while maintaining equivalent functionality; (b) procure the right for you to continue using the Product pursuant to this Agreement; or (c) terminate the Product and provide you a refund on a pro-rata basis.

(h) Equitable relief. Each of us agrees that damages may not be a sufficient remedy for any misuse of the others intellectual property, confidential information or trade secrets, and each of us may seek equitable relief (including specific performance and injunctive relief) as a remedy for breach of the Agreement.

14. Term, Termination

(a) Term. The term and any renewal terms for the Products are described in your Order. If either of us does not wish to renew the Products set forth in an Order, in whole or in part, they must provide the other with at least 30 days' written notice before the end of the then current term.

(b) Suspension. We may on written notice suspend or limit your use of the Products or other Clarivate IP, or terminate the Agreement, (i) if required to do so by a third party provider, Applicable Laws, court or regulator; (ii) if you become or are reasonably likely to become insolvent or affiliated with one of our competitors; or (iii) if there has been or it is reasonably likely that there will be: a breach of security; a breach of your obligations under the Agreement (including payment); or a violation of third party rights or Applicable Laws. Our notice will specify the cause of the suspension or limitation and, as applicable, the actions you must take to reinstate the Product. If you do not take the actions or the cause cannot be remedied within 30 days, we may terminate the Agreement. Charges remain payable in full during periods of suspension or limitation arising from your action or inaction.

(c) Termination. We may terminate the Agreement, in whole or in part, in relation to a Product which is being discontinued, on 90 days' written notice. Either of us may terminate the Agreement immediately upon written notice if the other commits a material breach and (if capable of remedy) fails to cure the material breach within 30 days of being notified to do so. Unless we terminate for breach or insolvency, fees will be due for all Products provided through the

termination date and any pre-paid charges will be refunded on a pro-rated basis for terminations in accordance with the Agreement. Transition assistance may be provided upon the execution of an Order for such services.

(d) Effect of termination. Except to the extent we have agreed otherwise, upon termination, all your licenses and usage rights granted end immediately and you must permanently uninstall, expunge, delete or destroy the Products and Clarivate IP (including any copies thereof) in your or any third party's control or possession and, if requested, confirm this in writing. Termination of the Agreement will not (i) relieve you of your obligation to pay Clarivate any amounts you owe up to and including the date of termination; (ii) affect other accrued rights and obligations; or (iii) terminate those parts of the Agreement that by their nature should continue.

15. Force majeure

Other than payment obligations, neither of us shall be liable for any failure or delay in performance due to causes that cannot be reasonably controlled by that relevant party, such as (but not limited to) acts of God, acts of any government, war or other hostility, civil disorder, the elements, fire, explosion, power failure, equipment failure, industrial or labor dispute, inability to obtain necessary supplies, and the like.

16. Third party rights

Our affiliates and third party providers benefit from our rights and remedies under the Agreement. No other third parties have any rights or remedies under the Agreement.

17. General

(a) Assignment. You may not assign or transfer the Agreement to anyone else without our prior written consent. We will provide you with written notice if we assign or transfer the Agreement, in whole or in part, as part of our business reorganization, which we may do provided the Products will not be adversely affected.

(b) Marketing. We may refer to you as a customer and use your trade names, trademarks, service marks, logos, domain names and other brand features in our marketing materials, customer lists, presentations and related materials.

(c) Amendment. We may amend the Agreement from time to time, with such changes being effective upon renewal.

(d) Enforceability. The Agreement will always be deemed modified to the minimum extent necessary for it to be enforceable, unless modification fundamentally changes the Agreement.

(e) Non-solicitation. Clarivate is an independent contractor. You must not directly or indirectly solicit or recruit or attempt to solicit or recruit for employment or engagement any personnel of Clarivate during the term and for 12 months thereafter. Employment resulting from a general public advertisement or search engagement not specifically targeted at the relevant personnel is not precluded.

(f) Performance. We may perform some or all of our obligations from any of our offices globally or through any of our affiliates or third parties. Such affiliates and third parties are obligated to confidentiality obligations and we remain responsible for their performance.

(g) Headings and summaries. Headings and summaries shall not affect the interpretation of the Agreement.

(h) Waiver. Neither of us waives our rights or remedies by delay or inaction.

(i) Governing law and jurisdiction. If a dispute arises related to this Agreement or an Order, Clarivate and you agree to meet to try and resolve it before commencing any legal proceedings. Should such resolution attempts fail, each of us agrees that any Claim arising out of or in connection with the Agreement (including its formation) is subject to the exclusive governing law and exclusive jurisdiction specified in the Order. **BOTH YOU AND CLARIVATE EXPRESSLY AND KNOWINGLY WAIVE ANY RIGHT TO A JURY TRIAL IN THE EVENT ANY ACTION ARISING UNDER OR IN CONNECTION WITH THIS AGREEMENT IS LITIGATED OR HEARD IN ANY COURT.**

(j) Precedence. In the event of any conflict within the Agreement, the descending order of precedence is: the Order; the referenced documents (including any specific product/service terms); the remaining terms and conditions of this Agreement.

(k) Notices. Notices for Clarivate must be directed to contract.admin@clarivate.com. Notices for you will be directed to the Client entity and address identified in the Order. Each of us may update our notice information upon prior written notice to the other.
